

International Year of Co-operatives Planning Meetings

Calgary July 5, 2011

Edmonton July 7, 2011

sponsored by the Alberta Co-op Cafe

The purpose of these meetings is to gather Co-op representatives from across

Alberta to sift through the ideas posted on the Alberta Co-op Cafe site

<http://tinyurl.com/coop-cafe>, refine these ideas and generate others.

We will also consider what are the next steps towards making these possibilities a reality. A light supper will be provided. Please put this date

in your calendar, plan to attend and bring a colleague or neighbour.

These meetings are open to staff, members and directors of Alberta

Co-operatives and affiliate and partner organizations
